

# Preparing your Domain to transfer from Web.com

# Getting Started

Before you can transfer a domain:

- **Disable** domain privacy. If the privacy service forwards incoming email, check the 'forward to' contact email address for accuracy.
- **Confirm** your administration email address in the domain registry records.
- **Verify** that the domain is unlocked.
- **Obtain** the domain's transfer authorization code (also referred to as an EPP or auth code).

**Note:** Registrar rules vary. Your domain may not be transferable within 60 to 120 days of registration, a previous transfer, or renewal.

# Your account

- Go to: `web.com`
- Enter your domain name or account number and password.
- If you do not have your account details, you will need to contact `web.com`. Their Support numbers and email address are on their website.

# Step 1: Click customer login.

## Step 3: Click Manage My Domain.

The screenshot shows the Web.com customer resources page for the domain sirrobinranaway.com. The page is organized into several sections:

- Navigation Menu (Left):** A vertical list of links with expand/collapse icons: Reference Center, Online Technical Support, Billing Center, Manage My Domain, Feedback, and Site Map.
- Header:** The Web.com logo is on the left, and the text "You are currently viewing information for sirrobinranaway.com" is centered.
- Customer Resources (Center):** A section with a dashed border containing four sub-sections:
  - Billing Center:** Includes links for Billing Account Information, Invoice Manager, Open Invoices, Default Payment Method, Payment Method (Wallet Setup), Renewal Dates, Cancellations, and Contact Billing.
  - Reference Center:** Includes links for Find the Answers on the Net and Tutorials / Demos.
  - Online Technical Support:** Includes links for Create New Ticket, View/Update Existing Ticket, Open Ticket Wizard, and Operations Incident.
  - DNS Manager:** Includes a link to Manage your domain name, or just learn about your domain name options, and a note about migrating domains from other registrars with a link to Point a Domain Name to Web.com.
- Right Sidebar:** Contains an E-mail Help Center link with an envelope icon and the text "Tools & Troubleshooting". Below it are links for Feedback (with the text "Your feedback is valuable to us.") and Sitemap (with the text "View the sitemap.>").

**Step 4:** Disable Privacy. This is required to complete the transfer. If Perfect Privacy is enabled, click **Perfect Privacy** on the left hand side of the page. If Perfect Privacy is off, skip to Step 6.

## Perfect Privacy Settings

Every day, the privacy of domain registrants is compromised by people who mine personal data from the WHOIS database to use for their own benefit. Perfect Privacy™ protects you, your business or family from spammers and identity thieves, by making your name, e-mail, mailing address, phone number, and other private information from your registration "unlisted" to the public.

1. Choose the domain name you would like to change settings for
2. Update contact settings for Perfect Privacy
  - Do not forward any email messages
  - Forward all email messages
  - Filter all email messages for spam and viruses and then forwardForward e-mail to:
3. Complete your changes. Your account will be updated to reflect your changes.

**Step 6:** Update Contacts. This step ensures that you will receive all notifications for your transfer request. Click **Domain Contact** and verify your email contacts.

4. Complete your changes. Your domain name will be updated to reflect your changes.

## Step 8: Unlock your domain and Obtain auth code.

Unlocking your domain allows your new provider to transfer the domain. The auth code will be required by your new domain provider to complete the transfer. To unlock your domain and obtain our domain authorization code, you will need to contact Web.com: <http://www.web.com/aboutus/default.aspx>

The screenshot shows the Web.com website's 'Contact Us' page. At the top left is the Web.com logo. To the right of the logo is a navigation menu with links for 'website design', 'marketing', 'ecommerce', 'web hosting', 'advice & resources', and 'blog'. Further right is a utility menu with links for '1 800 GET SITE', 'about us', 'partner programs', and 'customer login'. Below the navigation is a breadcrumb trail: 'home > about us > contact us'. On the left side, there is a vertical menu with links for 'about us', 'leadership', 'investor relations', 'in the news', 'patents', 'careers', 'our brands', and 'contact us' (which is highlighted in orange). The main content area is titled 'Contact Us' and is divided into three sections: 'Headquarters', 'Sales', and 'Technical Support'. Each section provides contact information and instructions for reaching the respective department.
